

# Safe, affordable transport for your community group

## **ECT Charity is proud to offer safe, reliable, affordable, friendly transport to a wide range of community organisations in Cornwall.**

Are you involved in a community or voluntary group, for example...

- Care home or centre
- Housing association/sheltered or residential housing
- School
- Youth group
- Interest/activity group/lunch club
- Faith group
- Isolated community
- Or any other community or voluntary group

Then ECT Charity can help your group get to where you need to go!

### **Professional and Qualified**

- We provide a professional and qualified ECT driver who is trained to the nationally-recognised MiDAS (Minibus Driver Awareness Scheme) standard:
- All our drivers are DBS checked, are First Aid trained and are uniformed.
- Our minibuses can take up to 16 seated passengers.
- All our vehicles are fully licenced and fitted with seat belts throughout.
- All vehicles are maintained and safety inspected to MOT standards every eight weeks, ensuring a commitment to the provision of high safety standards.

## **A little about us...**

ECT Charity, one of the UK's leading community transport providers, launched its services in Cornwall in 2014.

We operate a number of home to school routes for Cornwall Council, providing transport for children with special educational needs and children who live in rural areas. We have a 30- year history of service to local communities, dating back to 1979 when we started operations in Ealing, west London.

## **Olympic Success**

ECT Charity also operates community transport services in Dorset and Cheshire and was the lead partner delivering Accessible Shuttles for 100,000 ticketed spectators during the Olympic/Paralympics of London 2012.

## **Social Enterprise**

As a charity and social enterprise, we aim to combine business thinking with social values to deliver the highest quality transport services that provide the greatest social benefit for the communities we serve.
