Your questions answered

What is a Winter Day Trip?

We pick you up from your front door and take you and your fellow passengers to enjoy a festive day out at a local destination! At the end of the day, we drop you off at your home.

How much does it cost?

We are offering these trips free of charge! This all forms part of our charitable activities.

Please note that you are responsible for the cost of any admission charges, food and refreshments.

How do I book?

You must be a PlusBus member to join these trips. If you're already a member and would like to book a place, simply complete and return the Booking Form enclosed.

If you are not already a PlusBus member, please get in touch to register for free. We always welcome new members!

Where will the bus pick me up from?

Your own front door! Just like PlusBus, our helpful drivers will collect you from your home address, so there's no need to make your way to any central pick-up point. At the end of the day, the driver will drop you back to your front door.

Can I bring a wheelchair or scooter?

Yes! All of our minibuses are accessible. If you want to bring a wheelchair or scooter, let us know on the Booking Form so we can allocate sufficient space. Make sure you book as early as possible for scooter and wheelchair places.

Can I bring a carer or companion?

Yes! Simply let us know on the Booking Form. Carers and companions also travel for free but will need to be provided by you.

What if I need to cancel?

Please call us on 0151 357 4425 and give us as much notice as possible so that we can offer your place to someone else.
